

Katanning help and instruction day

2012 - March 17--- 9-30 start

**Kupara Park,
McLeod St
Katanning**

J.Newbold [safety officer] and J.Griffiths will be explaining the rules of log snig, long rein, open driver, maiden horse, novice driver,

Obstacle course help and how to train the horse for these events

Jeanette will be explaining the correct procedure to harness, measure and take a horse into and out of a cart

Members free

All non members and heavy horse owners are welcome

but will have to pay an insurance levy or \$11-00 and a fee of \$20-00

Better still why not join the CCHS for \$55-00 and get all the benefits

This day is offered to the people who find it hard to attend events in Perth because of farming work commitments

If the CCHS WA find we have most South West members support this instruction day

A show will be held at Katanning in September when the vintage machinery day is held

Bring your harness and gear with you

Collar, hames, back strap, chains, cart saddle lead rope headstalls etc

If you are thinking of buying anything,

wait for the day and you can get Jeanette to or me to measure and try other gear on so you get the right sized harness
